

Petition in support of M-147

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

WHEREAS every year, 235 000 Canadians experience homelessness;

WHEREAS the federal government has not yet addressed the structural causes of homelessness;

AND WHEREAS the federal government should ensure all people of Canada have the opportunity to live dignified lives through access to safe, affordable and adequate housing;

THEREFORE we call on the Government of Canada to support Motion M-147 to create a special committee to conduct hearings on the issue of homelessness and to propose a national plan to prevent and end homelessness.
